

Founded in 1991, we have grown from 24 to 112 students.

Our staff is certified in Infant/Child CPR and Pediatric First Aid. We obtain 12 hours of workshop training every year to increase our knowledge of state regulations, early childhood education and child development.

All students bring their own lunch and drink and eat together in the classroom. The two year old students bring their own diapers and wipes.

HCP admits student regardless of race, color, national or ethnic origin, or disability.

Our goal is to honor God. We do this by including Bible stories, verses, songs and prayers in our everyday activities.

Our curriculum is theme-related with emphasis on letters, numbers, shapes and colors.

Our philosophy is that every child should have a positive experience when he comes to our preschool. The staff ensures this by the positive words they use, such as "use your walking feet" and "use your inside voice".
